

Babe's Sports Page
5024 Lovington Hwy
Hobbs, New Mexico
(575) 392-2223
Fax (575) 392-2220

Babe's Sports Page is planning to open June 1st 2020 under COVID-Safe Practices (CSP) guidelines as long as the governor gives us the OK. Babe's has always taken pride in serving its guests not only the highest quality food and beverages but also takes pride in offering a clean, friendly environment. Due to the COVID-19 pandemic Babe's has taken additional steps to enhance the safety of our staff and guests.

To promote safe practices and social distancing, we have implemented the following:

- Entire building was sanitized by Germ Tech.
- Reduced the number of tables and seating as well as eliminated all seating or standing at the bar to promote social distancing.
- Limited menu selection to promote social distancing in kitchen.
- Single use menus.
- Added additional hand sanitizing dispensers throughout the restaurant and bar for guests and staff.
- All servers have been “serve safe” certified.
- Employees must wear face masks.
- Employees must wash their hands at least every half hour.
- Increased frequency of all cleaning and sanitizing procedures that includes, door handles, surfaces, chairs etc.
- Employees temperature will be taken before they are allowed to start their shift. If they are in the danger zone, they will be sent home.

We ask all our guests to please help us comply with the procedures as we are all in this together and we all need to do our best to protect the health and safety of everyone.

Let's work together to win this war against the COVID-19 virus.

Thank You For Your Support and Welcome Back

Taste the Difference Quality Makes at BABE'S!!
